Welcome to the ocean
Welcome to the Earth
Welcome to the new time
Welcome to your life
Welcome to the Universe
It's your life
So Welcome, yeah Welcome

See my eyes
See my body and my soul

Come inside of me
Tell me what you see

You got a fire
FIRE
Burn Burn Burn

Inspire my longing

Get my desire
For the ocean
Set me on fire
Come inside of me
Tell me what you see

See my eyes
See my body and my soul

Fuck the norm
Fuck the government

You got a fire
FIRE

See fire
Burn Burn Burn
