Over The Eggshells
From the album Pay Attention

I'm over the eggshells I've been walking on
My eggshell walking days are done
I don't give a fuck about the apple cart
I'll upset everyone
Don't tell me on what or where to walk my friend
You once did, but those days are gone
I'm so over the eggshells
The ones that I've been walking on
Walking on, I'm waking up
Waking up, I'm walking out
Waking up and walking out on you!
You're under the assumption I'll be moving on
Assuming it's the next move that I'll make
You've figured out I'm heading out
Now we're both wide awake
So rise and shine former friend of mine
Did you ever think this day would dawn
You can trust your assumptions
Damn right I'm moving on

Moving on, I'm waking up
Waking up, I'm walking out
Waking up and walking out on you
Walking on, I'm waking up
Waking up, I'm walking out
Waking up and walking out on you!
I'm over the eggshells
I've been walking on
My eggshell walking days are gone
I'm so over the eggshells
The ones that I've been walking on
Walking on, I'm waking up
Waking up, I'm walking out
Waking up and walking out on you
Walking on, I'm waking up
Waking up, I'm walking out
Waking up and walking out on you!
Walking on Waking up

Walking on I'm Walking
