Sure, I said bitch Iâ€™m so for sure, for sure
I said bitch Iâ€™m so for sure
Bitches ainâ€™t shit, but them niggas ainâ€™t either
I said bitches ainâ€™t shit, but them niggas ainâ€™t either

Yeah, before I take out, let me diamond my neck out
Scoop out the ones we be fucking and kick the rest out
We smoking out that audi s5, Iâ€™m audi 5, shaw
Quick to kick a bitch off a better still make a client down
Monkey ass hoe, crooked as my last hoe
Quick to suck a dick, but she canâ€™t get no cash no
A player like me canâ€™t settle for less when I done had
her
Thatâ€™s just go pro, rubber bands or glass hoes
Bitches ainâ€™t shit, but them niggas ainâ€™t either
Itâ€™s too short baby out my thoughts play speakers
A problem with Alicia, sheâ€™s a real dick tazer
And it masons have beenâ€™...working these hoes up off
my beeper
Gangster gibbs

[Hook]

I ainâ€™t trippin no, one night baby
Bitches ainâ€™t shit, but them niggas ainâ€™t either
I put this good dick in your life baby
Bitches ainâ€™t shit, but them niggas ainâ€™t either
And if we doing this alright baby
Bitches ainâ€™t shit, but them niggas ainâ€™t either
Cause I get chose, body slows
That make this pimping possible, possible
Yeah, anything is possible,

Bitches ainâ€™t shit, but them niggas ainâ€™t either
Anything is possible, ah
Bitches ainâ€™t shit, but them niggas ainâ€™t either
Anything is possible

Donâ€™t be worried bout when Iâ€™m going in
Or when I come back home
Just make sure that cucci lights stay one
I â€™...took you from a hood to a home

Away from some tent with some bangs
To riding these with versace and gold
My bottom bitch she see the bigger picture
She treat her daddy like daddy I motivate her spirit
To get them strippers, you gonna make it in this cold
world
Living and learn, there's gonna be pimpin sellin
product
Every corners you turn
Your mama warned you bout a nigga's ways
She prolly told you baby save yourself and walk away
But you and I both know the reason why you chose to
stay
Blessed to be with your faith, I've been hitting on the
bitch all day
And he been...out

[Hook]

I ain't trippin no, one night baby
Bitches ain't shit, but them niggas ain't either
I put this good dick in your life baby
Bitches ain't shit, but them niggas ain't either
And if we doing this alright baby
Bitches ain't shit, but them niggas ain't either
Cause I get chose, body slows
That make this pimping possible, possible
Yeah, anything is possible,
Yeah, anything is possible, ah
Bitches ain't shit, but them niggas ain't either
Anything is possible, ah
Bitches ain't shit, but them niggas ain't either
Anything is possible

Heard that you believe in magic
Or just in lame ass niggas that go religious heavy
I bring a package and a bag of trees
But I need a person, an assistant help me with the shit
We got the lights up in the ground, you got the
instruments
And how you figure is how I take it if you be into it
So let me break it down to you in the simple is
I need the dirt, you need the gold and bring the
bindess in
Bring back the dividends
And we can cruise all night, work when I'm smokin
...no matter who I'm with, you a product I got a spot
to spot to band
That will open sell it, you want it, then come and get it
then
All my bindess clean, can't track it back with no
witnesses and girl

[Hook]

I ain't trippin no, one night baby
Bitches ain't shit, but them niggas ain't either
I put this good dick in your life baby
Bitches ain't shit, but them niggas ain't either
And if we doing this alright baby
Bitches ain't shit, but them niggas ain't either
Cause I get chose, body slows
That make this pimping possible, possible
