[Intro]

Ruby Hornet

Soundscape

Closed Sessions

L.I.G.

Pimpin'

Verse 1 [Freddie Gibbs]

Yeah, your girlfriend blow me while I blow the stanky

Then give me more head in the lab

She keep me motivated

Man I take my time when I write my raps

She growing so impatient

Rain skee hell snow

Backstage at the show

You know them hoes is waiting

On me and Jada B

One hit me gotta lay my peeps

I'm so straight on the boosie bitch

I'm straight slammin' to say the least

54 pounds of mid-grade

When I touch down at midway

Got the package in the morning

They was gone by the midday

I'm so pimp, bitch, I can't keep no bitches

Cuz brand new pussy the greatest thing the good Lord
invented

Straight supped up super spoke

Candy coat, bitch you know I'm in it

Don't work no job

Cuz I live off dollars these hoes is spending

Straight Midwest pimpin'

My heart frigid as February

It's wrong but it's necessary

To fuck your valentine

Straight break her spine

And {Indecipherable}

Prices buried

No pussy

We push it

But never purchase it

Wanna put that hoe to work

And show that hoe whatcha working with

Chorus [Gibbs]

I'm looking for some new hoes
More than one
I need a few hoes
I'm trynna kick it with some cool hoes
The type to flip it with the crew hoes
So I stay looking for some new hoes
Man fuck and ugly bitch

Some cute hoes
Cuz I aint fucking with no boosie ass bitches
And groupie ass niggas
The playas I'm be round is straight pimpin'
And we're looking for some new hoes

Verse 2 [YP]

Now let me tell you bout this one chick
That I had on my team
I called her princess
But she thought she was Queen
She liked to question the King
And made it hard to breath
Till that day I told that bitch "it's time to leave"
I'm a pimp
Now listen baby, I'm about my C.R.E.A.M.
Rubber bands on the knots
And got big gats in the rings
Bitches thirsty cuz they see I'm doing well like the...
Wanting me to wipe them up
So they can step up their salary

[Naw]

I let her flatter me
But trick is a no-no
I take her to the crib
And let her hope on my pogo
Shawty let's take a ride
Take a look at the goalpost
Get outta line
I'll be enjoying it solo
I run a tight ship
Just don't fall off
I aint playin, I get straight to the point
Just like John Wall
I take a blunt to the face
And then I turn up the bass
And tell them bitches I aint never had a second to
waste

Chorus [Gibbs]

I'm looking for some new hoes
More than one
I need a few hoes
I'm trynna kick it with some cool hoes
The type to flip it with the crew hoes
So I stay looking for some new hoes
Man fuck and ugly bitch
Some cute hoes
Cuz I aint fucking with no boosie ass bitches
And groupie ass niggas
The playas I'm be round is straight pimpin'
And we're looking for some new hoes
