[Chorus - Young Jeezy]

Run D MC, run D MC, if I'm riding low key I got that D on me

And nigga we don't care, because nigga life ain't fair
They go for thirty a piece, we sell them hoes by the pair
(X2)

Run D MC, run D MC, run D MC, run D MC

And nigga we don't care, because nigga life ain't fair
They go for thirty a piece, we sell them hoes by the pair

[Verse 1 - Freddie Gibbs]

Yeah, stay on the grind so how you gone stick up the stick up man?

357 to the Teeth bitch I hope you pick up a dental plan
I got that Ochocinco, eight five for two hundred fifty grand

Drove that heroin straight from New York in my nigga minivan

Excuse me Mr. Officer, I been thinking about popping you

So you better not search this car, I'm so hot I'm off the thermometer

Fuck a threat, I promise you

I won't go back to jail

Seem like every time a nigga try to make a sale

These bitches go back and tell

This shit here fresh off the scale

White bitch send bricks in an M3

When I'm done breaking down this dope

I'ma beat that shit like a MP

Say they gone murk me for ten G's

That shit don't offend me

A nigga had striped before this rap shit

I run D and I MC

[Chorus]

[Verse 2 - Young Jeezy]

I don't even use a tote, I just pull in the garage

Tony Montana shit, look like a mirage

Put the yag on the counter, about the give it a massage

I whip them bitches two at a time, yeah I menage
Car full of bags, looking like I been shopping
Vic' across the street, yeah them motherfuckers
watching
Oh well, got to eat, that's why I cook it
This the Cooking Channel, give them niggas something
to look at
I been riding all day, that's what my neighbors just told
me
Six eight for the nine, bitch my neighbors might owe
me
Riding so dirty, made the bird take a bath
But when it dried off it was a bird and a half

[Chorus] X2
