Just around the corner used to live Ramona Lee
A skinny little freckle faced girl used to run after me
(ugly ducking)
Used to hang around my neck like a string of pearls
Telling everybody that she was my girl
Fool I was I ran her off I'm sorry to say
You oughta see now what I chased away

Ugly Ducking (kwack kwack kwack)
Uhm give anything if she would take me back
When she's grown up what a drastic change such a
pretty change
A living doll with an angel eyes every each of pose a
big surprise
You never know it Ugly Ducking was her name
[guitar]
Saw Ramona last night dressed out in her skin-tight
jeans
I said hello Ramona but it was cotton-mouth routine
I said why don't we get together again
She said (maybe honey but just say when)
She teased just enough to make me worth cup of Slat
Makin' me remember that she didn't forget
Ugly Ducking (kwack kwack kwack)...
You never know it Ugly Ducking was her name
