I can't stand you out of my side say what took you so
long
Since you been all night what took you so long
I've lost my mind a dozen times since you left me alone
And you been gone at least a minute what took you so
long

Have you seen a baby sparrow fall helpless to the
ground
Unable to fly back and afraid to be found
Well that's me that's me without you whenever you are
gone
And you been gone at least a minute what took you so
long
[steel]
Have you seen a baby sparrow...
