Feat. Sasha Go Hard & Slick Pulla

Girl put some paper in my pocket, let me know it's real
Keep that tattoo with his name, bitch I know the deal
Come through on a late night while he workin, bitch you
know I will
Beat that pussy up, I'm bout to put this shit in overkill
Overdrive, ass, mouth and let's keep em open wide
Girl you want this dick, yo take a pic, I let you hold it
some
Fuck and take a shower in the place you and your hoe
reside
Baby what you smokin, or you tryina bust it open, right?
She might be your wifey, but she my nigga
No flowers or candy, kush and hennesy then I hit her
I stand at attention, when you send me them naked
pictures
Got a realest to the realos, I made her switch from the
swishers
We call, and we choke, then we fuck, then we smoke
All again, on the fen, it's a win, when I'm in
That pussy throbbing like a sub
Throw some bud good, hit my number when you horny
And know your way from the hood, she like

[Hook]

Daddy, where have you been?
Been on the grind, getting mine, makin stacks, bitch
Daddy, where have you been?
Now I got pussy on my mind, where is that bitch?
Daddy, where have you been?
Been on the grind, getting mine, makin stacks, bitch
Daddy, where have you been?
Been on my paper, smoking on legend maker what's
up

Need you to move just like me
Need you to think just like me
So when I hit these these bucks
You get this bake just like me
So I'm went to the other side, that was just a spike

So I ain't trippin, a player just did it like nike
And did the right thing, stuck to the script like spike lee
Now we fuzzied like catterpillars, all icy
The eyes in the back of my head watch the chumps
It ain't how to ride smooth, it's how to take the bumps
Rock up when you lay on that bed of money and pumps
You set that thing up the kid go full thrust
Shift keep pull, I switch gear in it
And the physical of mental, forever callin

[Hook]

Daddy, where have you been?
Been on the grind, getting mine, makin stacks, bitch
Daddy, where have you been?
Now I got pussy on my mind, where is that bitch?
Daddy, where have you been?
Been on the grind, getting mine, makin stacks, bitch
Daddy, where have you been?
Been on my paper, smoking on legend maker what's
up.
