When the dawn brings a brand new day I try to force  
myself to say  
I'm finally over you  
But sunshine doesn't mean a thing I spent my time  
remoring  
The things we used to do  
Yes you're gone and there's no way to go back to  
yesterday  
And I don't know what I'll do without you

I've told myself a million times I've got to get you off  
my mind  
But I never do  
And so I'll spend another day remembering my life  
away  
And missing you  
Yes you're gone...  
Without you
