Sitting in the car with the engine off
And I've got no where to go
I need to be somewhere away from here to think
I rake and rack will you be back?
I've been trying not to crack - Yeah

[Chorus:]

Yeah you left right?
Yeah you left right?
Are you regretful? Are you?
Are you remorseful? Are you?
Are you successful? Or are you just trying to make it
through?

Never felt as fractured as I feel
In all the days I've been alive
I don't see myself collecting me to soon
I sift and sort and come up short
So far past my last resort - Yeah

[Chorus]

Did you whole world just shatter?
Are you happy or sadder?
Does it really matter?
Did I matter to you?

Are you better off now
Would you tell me if you were worse?
I don't know what it is that I want to believe
Any decisions that you wish you could reverse?
You left - Yeah you left right?
But you didn't want to leave me

Lying on my back where the sofa was for two or three
days now
A hollow empty vacancy in me
I search and seek it's pretty bleak
I'll be here for at least a week - Yeah

[Chorus]

Did you whole world just shatter?
Are you happy or sadder?
Does it really matter?
And did I ever matter to you?
