Oh angel you found your wings  
And oh angel I know what this means  
YouÃfÂçâ,¬Â™ ll fly away from this place  
Leaving now I canÃfÂçâ,¬Â™ t give chase

So angel fly away  
Fly away  
Angel fly away  
Away today

Oh angel how this stings  
The pain that love lost brings  
Now youÃfÂçâ,¬Â™ re gone and still life moves on  
But without me cause my angel has gone free  
She left me  
To go free

So angel fly away  
Fly away  
Angel fly away  
Away today
