This time IÃfÂçâ,¬Â™ m not coming back  
And this time thatÃfÂçâ,¬Â™ s true  
And this time IÃfÂçâ,¬Â™ m killing myself  
To kill you too  
This time IÃfÂçâ,¬Â™ m headed out West  
To find a life of mine  
And this time each of these miles  
Feel like our goodbyes

With each step I take I fall more away  
From everything I felt for  
And knowing that I should have stayed

This time I wonder why  
I said the things I did  
And this time is loneliness with you too  
This time IÃfÂçâ,¬Â™ m not coming back  
And this time thatÃfÂçâ,¬Â™ s true  
And this time IÃfÂçâ,¬Â™ m killing myself  
To kill you too

With each step I take I fall more away  
From everything I felt for  
And knowing that I should have stayed
