Oh, hell
Here comes the pursuit of happiness
When I walk in the club, I glow 'till you miss
My band is right behind me,
We're rocking its oh so, so fly
I'm a fan of tig-ol-bitties
But tonight I'mma fan of your thighs.
Welcome to oceans thirteen, these are my guys
Heres an application, but why don't you apply?
So, we can get it popping
So, we can keep it loud
I see you smiling, go ahead,
Swallow your pride and tell me

[Chorus]

My goal is right and my swag is tight
and I know you're fascinated by me
my fan is good, and we look good
and, I know you're fascinated by me
You find this, baby, and I won't stall
And I know you're fascinated about me
I smell good, and I feel good
And I know you're fascinated about me

i'm yoda , baby
These are my Jedi knights
Welcome to the mile high club,
We gonna take a long flight
We gonna party like some rock stars
Cause we're some rock stars
Gotta love me baby cause I love the way you are!
Don't get it twisted, it's only one guy
It's only one guy, that can make you bonafied!
You like me, but I can't take it easy on you

Come here, bite me!
You love it when I tease you, don't you?

[Chorus]

My goal is right and my swag is tight
and I know you're fascinated by me
Fans is good, and we all good

and I know you're fascinated by me
You like this, baby, and I won't stop
And I know you're fascinated about me
I smell good, and I feel good
Gotta know that you're fascinated about me

Timbo the king,
The rise of the planet of the apes
My identity change because of my birth age
What you mean?
Passport game is heavy cause I'm sitting on..
Got a house on every country, on every state
Baby don't be surprised cause you're looking out great
With that glow in your eyes you're looking like you
wanna masturbate!
Don't do it!
I don't want â€¦ but I take
I push that thing, gal, when I wanna fascinate you!

[Chorus]
My goal is right and my swag is right
Girl, I know you're fascinated by me
Fans is good, and we all good
Girl, I know you're fascinated by me
You like this, baby, and I won't stop
And I know you're fascinated about me
I smell good, and I feel good
Gotta know that you're fascinated about me
