Hey hey hey
hey hey hey (let's go)

I jump up like the sun
'cause a new adventure has just begun
I can barely wait to lace up my shoes
morning's like a smile I just can't refuse
can you feel it? can you feel it's

chorus: Just another perfect day
bring it on 'cause i'm on my way
i've got a laugh to share
i've got a dream to chase
always something new to learn
can't wait to take my turn
gonna turn it up cause its another perfect, perfect day

All the world is my show
like a magic carpet ride i make up as i go
and i dont want it to (dont want it to end)
tonight i'll be dreaming then wake again
it's tomorrow, and tomorrow's

[Repeat chorus]
