Mmmmmmm

Your my friend and you'll always be
I'll hang with you anywhere you see
When the day is mean and your unhappy
All you've gotta do is think of me

[Chorus] I've been looking for a friend like you
So I'll want to make each day brand new
And share the sun
Yeah it's blue sky true
I've been looking for a friend like you
I've been looking for a friend like you

You're the smile
That makes time fly by
You make me laugh
You don't have to try
When I'm feeling low
And I wanna cry
My cheer-me-up thought
Is you and I

I've been looking for a friend like you
So I'll want to make each day brand new
And share the fun, in the sun, even if a rainy day
comes yeah fun in the sun

Well if a rainy day comes
Just like any other one
But it don't bring me down
Cause you're around
Colors of the rainbow
Saying hello
And we're chillin cause we're thrillin cause we go go go

Kick it here into outer space
Everywhere's a great place
And everyone's a great race
And everyday there's always something to do
Cause you know that every something's better with a

friend like you

I'm so glad I've got a friend like you
So I'll want to make each day brand new
And share the sun
It's blue sky true
I'm so glad I've got a friend like you
I-i'm so glad I've got a friend like you
