Goes a little something like this come on lalalalala
lalalalala we had a great day, it was a super way to
spend some time together we had a great day the very
best day and nothing could be better all the music we'll
play its always a great day and nothing could be better
everytime we get together we had a great day it was a
super way to spend some time together we had a great
day the very best day and nothing could be better well
sing and well play well kick it always well hiphop and
pop the music party wont stop we had a great day it
was a super way to spend some time together we had a
great day the very best day and nothing cold be better
goes a little something like this come on lalalalalaaaa
lalalalalala!
