[Chorus]

Play it loud, just like a rockstar
Shout it out, just like a rockstar
C'mon everybody let me hear you say
You feel just like a rockstar
hey hey hey

Here we go now

You know the fun never ends
ooh ooh ooh ohh yeah
when you and all of your friends
ooh ooh ooh ohh yeah
are rocking out in a awesome band
and everybody's jamming
so give us a hand

just put your rockstar jacket on
everybody play along
let's kick it off
let's turn up the beat
let's get the whole crowd up on it's feet
Let's go

[Repeat chorus]

here we go now

and now we're having a ball
ooh ooh ooh ohh yeah
and the best part of all
ooh ooh ooh ohh
is pitching in and rocking it out
cause that's what being friends is all about
just put your rockstar jacket on
everybody play along
let's help each other
let's give it a spin
cause if the music bumping
everyone wins

[repeat chorus]

Just like a rockstar
Hey hey hey
