The world is yours for rocking.  
No looking back; no stopping.  
Make it everything you want it to be.  
I like to play guitar.  
I think I'll go far.  
We'll share our music in every city.  
Ya gotta love what you do.  
Make every note ring true, now.  
Sing it from your heart.  
Inside we all are stars.  
Reach for the sky.  
Show everybody what we can do.  
It's our time to shine.  
Just take a chance and believe in you.  
The music's contagious,  
This feeling's outrageous,  
We're making our dreams come true.  
Hold your hopes high.  
Reach for the sky.  
O-oh, o-oh, oh, o-oh, o-oh.  
Keep the music playing.  
Turn the volume up, crank it.  
We got so many tools to share with you.  
Yeah! Move to the beat.  
Get up! Dance in the street.  
Watch out! The Fresh Beat Band's coming through.  
Ya gotta love what you do.  
Make every note ring true, now.  
Sing it from your heart.  
Inside we all are stars.  
Reach for the sky.  
Show everybody what we can do.  
It's our time to shine.  
Just take a chance and believe in you.  
The music's contagious,  
This feeling's outrageous,  
We're making our dreams come true.  
Hold your hopes high.  
Reach for the sky.  
O-oh, o-oh, oh, o-oh, o-oh.  
Reach for the sky
