(Let's go)

Hey, I got a new game and it's gonna make you smile

(it's gonna make you smile)

You'll never know which way it'll go until you try (hey
hey yeah)

It doesn't matter if there's rain or sun (no no no no no)

It's all we need is to sound the count of 1

3, 2, 1!

Chorus:

Spin around (spin around)

Until we fall down (spin around)

Put your arms up like a rocket blast drop it and spin
around 'round

Spin around 'round, spin around 'round!

So wait a minute and we'll do it all again (again again
and again)

But then to win or lose that's how we play this game (it's
how you play the game - 'C'mon)

We're going faster than our legs can run (RUN RUN
RUN RUN- C'mon!)

Let's do it over on the count of 1

Chorus:

Spin around (spin around, spin around)

Until we fall down (spin around, spin around)

Put your arms up like a rocket blast drop it and spin
around 'round

Spin around 'round, spin around 'round!

Rap:

Well I can spin and spin got heat ay!

Outta control I'm feeling so free, yeah

I'm like a lightning bolt, magical, radical

Don't stop gotta go, follow my lead ay

It's contagious, and we can't stop, we're laughing
outrageous

Everyone try now, back on your feet, you know what I
mean

3,2,1!

Chorus:

Spin around (spin around, spin around)
Until we fall down (spin around - fall down, down down
down)
Put your arms up like a rocket blast drop it and spin
around 'round
Spin around, 'round, Break it down!

Spin around
Until we're on the ground
Yeah we're getting dizzy 'cuz our feet our busy moving
our hands around and 'round
Spin around, 'round

Spin around
Until we fall down (spin around)
Put your arms up like a rocket blast drop it and spin
around

Spin around!
