Baby, now that I've found you
I won't let you go
I built my world around you
I need you so,
Baby, even though
You don't need me now.

Baby, now that I've found you
I won't let you go
I built my world around you
I need you so
Baby even though
You don't need me,
You don't need me oh, no.

Baby, baby, when first we met
I knew in this heart of mine
That you were someone I couldn't forget.
I said right, and abide my time.

Spent my life looking for that somebody
To make me feel like new
Now you tell me that you want to leave me
But darling, I just can't let you.
