Over there, just beneath the moon,  
There's a man with a burden to keep,  
Now sleep will fall, washouts, rags and paperbags  
Homes and lives passing by.

[Chorus]

Who will see the beauty in your life  
And who will be there to hear you when you call  
Who will see the madness in your life.  
And who will be there to catch you if you fall.

Dreams run wild, as lovers find their way through the  
night,  
Not a care in the world  
And over there, from the twinkling of the lights,  
harbour lights  
Say goodnight one more time

[Repeat Chorus]
