Dream without you  
Last night, you said you love me  
Last night, you said you needed me  
When I woke up, I never saw your face  
When I woke up, you never left a trace

(Refrain)

And if there's nothing I can say or do  
I'll sing this song, I wanna sing to you

(Chorus)

I don't wanna dream if my dream is without you  
I don't wanna sleep if my dream will only be blue  
I don't wanna hear the words; I don't wanna feel your  
touch  
All I know is that you hurt me so much

You said that we would stay together  
I thought that we would be forever  
I never thought we'd ever part  
But now I have a broken heart

I wonder why I never understand  
But I understood when I saw you then

(Repeat chorus)

Boy, it's been three years since we part  
And all those years I never had a change of heart  
I'm not asking you back, I just need a friend  
All I'm asking is, let me dream again

(Repeat refrain)

I don't wanna dream if my dream is without you  
I don't wanna sleep if my dream will only be blue  
I don't wanna dream if my dream is without you  
I don't wanna sleep if my dream will only be blue  
I don't wanna hear the words; I don't wanna feel your  
touch  
All I know is that you hurt me so much
