Last night, you said you love me  
Last night, you said you needed me  
When I woke up, I never saw your face  
When I woke up, you never left a trace  
And if there's nothing I can say or do  
I'll sing this song, I wanna sing to you  
I don't wanna dream if my dream is without you  
I don't wanna sleep if my dream will only be blue  
I don't wanna hear the words, I don't wanna feel your  
touch  
All I know is that you hurt me so much  
You said that we would stay together  
I thought that we would be forever  
I never thought we'd ever part  
But now I have a broken heart  
I wonder why I never understand  
But I understood when I saw you then  
Boy, it's been three years since we part  
And all those years I never had a change of heart  
I'm not asking you back, I just need a friend  
All I'm asking is, let me dream again
