Yeah, yeah, yeah
Oh yeah, yeah, yeah, yeah, yeah
Ooh yeah

It's over and done
But the heartache lives on inside (yeah, yeah)
And who is the one you're clinging to
Instead of me tonight

And where are you now?
Now that I need you
Tears on my pillow
Wherever you go, go
I'll cry me a river
That leads to your ocean
You'll never see me fall apart
In the words of a broken heart

[chorus]
It's just emotions, taking me over
Caught up in sorrow, lost in the song
But if you don't come back, come home to me darling
Don't you know, there's nobody left in this world to hold
me tight
(Don't you know) there's nobody left in this world to kiss
goodnight

Good night, good night
Good night, good night

I'm there at your side
A part of all the things you are
But you have a part of someone else
You gotta go find your shining star

And where are you now?
Now that I need you
Tears on my pillow
Wherever you go, go
I'll cry me a river
That leads to your ocean

You'll never see me fall apart
In the words of a broken heart

It's just emotions, taking me over
Caught up in sorrow, lost in the song
But if you don't come back, come home to me darling
Don't you know, there's nobody left in this world to hold
me tight
(Don't you know) there's nobody left in this world to kiss
goodnight

Goodnight
