Verse 1:

Days are passing by  
Still you're on my mind  
I'm living with the memories  
of the love we used to sing

Refrain:

Those days were gone  
The laughter and the fun  
And I can't explain  
The heartaches and the pain

Chorus:

Why do you have to go?  
I'm standing here  
Waiting here  
In the dark alone

Why do you say goodbye?  
I can't accept  
I can't forget  
No matter how i try

Verse 2

My heart is used and tired  
But I still wanna find  
The love that you have given me  
And I was made to be  
(repeat refrain and chorus)
