You must not know about me

You must not know about me

I could have another you in a minute

Matter fact he'll be here in a minute - baby

You must not know about me

You must not know about me

I can have another you by tomorrow

So don't you ever for a second get to thinking you're  
irreplaceable

So go ahead and get gone

And call up on that chick and see if she is home

Oops, I bet ya thought that I didn't know

What did you think I was putting you out for?

Cause you wasn't true

Rolling her around in the car that I bought you

Baby you dropped them keys hurry up before your taxi  
leaves

Standing in the front yard telling me

How I am such a fool - Talking about

I'll never ever find a man like you

You got me twisted

You must not know about me

You must not know about me

I could have another you in a minute

Matter fact he'll be here in a minute - baby

You must not know about me

You must not know about me

I will have another you by tomorrow

So don't you ever for a second get to thinking you're  
irreplaceable

So since I'm not your everything

How about I'll be nothing

Nothing at all to you

Baby I won't shed a tear for you

I won't lose a wink of sleep

Cause the truth of the matter is

Replacing you is so easy

To the left

To the left

To the left

To the left (mmm)

To the left

To the left

Everything you own in the box to the left

To the left

To the left

Don't you ever for a second get to thinking you're  
irreplaceable

You must not know about me

You must not know about me

I could have another you in a minute

Matter fact he'll be be here in a minute - baby

You must not know about me

You must not know about me

I can have another you by tomorrow

Don't you ever for a second get to thinking you're  
irreplaceable

You must not know about me

You must not know about me

I could have another you in a minute

Matter fact he'll be be here in a minute - baby

You must not know about me

You must not know about me

I can have another you by tomorrow

Don't you ever for a second get to thinking you're  
irreplaceable

You got me twisted

How I'll never ever find a man like you

How I'm such a fool - Talking about

Standing in the front yard telling me

So remove your bags let me call you a cab

And It's my mine name that is on that Jag

But could you walk and talk at the same time

And keep talking that mess, that's fine

If I bought it please don't touch

In the closet that's my stuff - Yes

Everything you own in the box to the left

To the left

To the left

To the left (mmm)

To the left

To the left

To the left
