Now is all I know
Now is all I got
And I don't know
If there will be tomorrow for us.

Now is all I care about
Now that you are here
Now that you're the contents of my heart.

Now you're all I know
Now is all I promise
And I don't know
If there will be a future for us.

Now is all I live for
Now that you are near
And it was best that from the start it was clear.

Refrain:
Loving is not owning
We can let it go
We can let it go.

Loving is not owning
You can let me go
You can let me go.

Chorus:
There's a reason
Why we love each other now
And we don't know if this is forever.

There's a reason
Why we are together now
And we don't care if it's not forever now.

Now is all I think about
Now that I am happy
And I'm not sure
If there will be a future for us.

Now is all I offer

It's everything I got
And I still wish
That there will be a tomorrow for us.

(Repeat Refrain)
(Repeat Chorus)
Ad Lib
(Repeat Refrain)
(Repeat Chorus except last word)
(Repeat Chorus)

Coda:
We love each other now...
