Wish on a rainbows is all i can do  
Dream of the good times that we never knew  
No late nights in the warmth of your arms  
Ill dream on  
Living in wonder, thinking of you  
Still looking for ways to uncover the truth  
Youre so young is all they can say  
They dont know.  
If i could change the way of the world  
Id be your girl  
Too many walls have been built inbetween us  
Too many dreams have been shattered around us  
If i seem to give up theyll still never win  
Deep in my heart i know the strength is within

Watching the others chances drift by  
Theyll never discover these feelings i hide  
Deep inside im falling apart  
All alone with a broken heart  
Thinking in silence is all they allow  
These words still unspoken may never be found  
All these dreams one day will be mine  
They cross my mind  
My time has yet to come  
Until then  
Too many walls have been built inbetween us  
Too many dreams have been shattered around us  
If i seem to give up theyll still never win  
Deep in my heart i know the strength is within

Chorus to fade.....
