Not to worry on a rainy day  
There's a promise it will go away  
What a joy, what a sunny day  
Having you takes the sadness away  
With you everything seems to go my way

[Chorus]  
Hold on to a beautiful day  
It will lift you up  
Take you to the top  
Hold on 'cause it's here to stay  
To help you get through the day  
Everyday

Need a reason to celebrate life  
There's a promise for a sweet embrace  
What a joy found a friend in you  
Having you takes away the blues  
With you everything seems to go my way

[Chorus]  
Hold on to a beautiful day  
It will lift you up  
Take you to the top  
Hold on 'cause it's here to stay  
To help you get through the day  
Everyday

lalalala~!|lalalala~!|lalalalalalalala..lalala~!

With you everything seems to go my way

[Chorus]  
Hold on to a beautiful day  
It will lift you up  
Take you to the top  
Hold on 'cause it's here to stay  
To help you get through the day  
Everyday  
Everyday

[Chorus]  
Hold on to a beautiful day

It will lift you up  
Take you to the top  
Hold on 'cause it's here to stay  
To help you get through the day  
Everyday  
Everyday  
Everyday

[Chorus]  
Hold on to a beautiful day  
It will lift you up  
Take you to the top  
Hold on 'cause it's here to stay  
To help you get through the day  
Everyday
