Hey girl
Can i have your number
Hey girl
Can i call you tonight
Do i come on too strong for you
I hope you wont turn me down
I hope you're not surprised
That i made the first move
I hope you realize that
Im into you
And i just want to ask you

Would you be my girlfriend
Would you be my girl
Im not typical
Im straightforward
Im just practical
And you know it
I hope you're not offended

Would you be my girlfriend
Would you be my girl
Im not typical
Im straightforward
Im just practical
And you know it
I hope you're not offended

Hey there
Will you look this way
I like to see you every night
Hey there
Don't be afraid
Hey girl
I just like to be yours
I hope you're not surprised
That i made the first move
I hope you realize that
Im into you
And i just want to ask you

Would you be my girlfriend

Would you be my girl
Im not typical
Im straightforward
Im just practical
And you know it
I hope you're not offended

Would you be my girlfriend
Would you be my girl
Im not typical
Im straightforward
Im just practical
And you know it
I hope you're not offended

I don't want to bother you
But i like taking chances
So if i could turn you up
I really just don't care
I just want to ask you

Would you be my girlfriend
Would you be my girl
Im not typical
Im straightforward
Im just practical
And you know it
I hope you're not offended

Would you be my girlfriend
Would you be my girl
Im not typical
Im straightforward
Im just practical
And you know it
I hope you're not offended
