And she was like frisc you know i like you and you know  
i love the way you buss my tool,

but if my boyfriend finds out that were linking its gonna  
be on tops when he finds you,  
(Frisco) what the hell can your boyfriend do?(x4)  
Next ting I know I got man lookin for me, cos he found

dead before i say sorry,  
only wanted pee so she had some for me, straight back

to your man soon as your done wid me  
I told you keep your mouf closed dont tell chanel, cah  
shes sharing out buisness with the rest of the world,  
now you can have the big car, big chain, big cross,  
don't ever fink your girl cant get picked off  
while your out countin your digits shes out there paying  
a next man a visit this  
aint your typical boyfriend tune, she'll be like frisc only  
if my boyfriend knew, if your boyfriend knew? if your  
boyfriend knew what? what da hell can your boyfriend  
do!  
And she was like frisc you know i like you and you know  
i love the way you buss my tool,  
but if my boyfriend finds out that were linking its gonna  
be on tops when he finds you, (Frisco) what the hell can  
your boyfriend do?(x4)
