I walked away from you
All just to say I choose
And my mistake just proves
I can't live a day without you
You're the only good
You're the only light
In the world of darkness I call life

(Chorus)

Will you take me back
Will you take me home
Tell me where you're at
That's the way that I'll go
Will you hold me tight
Never let me go
Will you save my life
Will you make it so
Oh, oh, oh, oh
Will you make it so

So easy now to see it
When I but drown in regret
I'm crying out for forgiveness
And hoping you will see I mean it
Cause you're all I want
You're the only one
That I promise I'll love with my life

(Repeat Chorus)

I know where I'm meant to be
It just took a while for me to see
Now falling down at your feet
And you're reaching out to rescue me
