I'm floating away
I'm floating away
My head is above the clouds
I'm blinking my eyes
I'm trying to find
The right way to come back down

I can't see a thing
I can't see one thing
My head is inside the clouds
But I'm kicking my shoes
And swinging my hands
And trying to fly back down
I'm trying to fly back down

Cause oh oh oh oh
I just wanna dream away
But need to get my feet on the ground
Oh oh-oh-oh
I just wanna dream away
But need to get my feet on the ground

I'm pulling the left
I'm pushing hard right
I'm walking a winding line
But I'm kicking shoes
And swinging my hands
And trying to hold on tight
I'm trying to hold on tight

Cause oh oh oh oh
I just wanna dream away
But need to get my feet on the ground
Oh oh-oh-oh
I just wanna dream away
But need to get my feet on the ground
Dream away but need to get my feet on the ground

Ou ou (la la la la)
Ah ah (la la la)
Ah ah (la la la la)

Ah ah ah ou ou

I'm floating away
I'm floating away
My head is above the clouds
I'm blinking my eyes
I'm trying to find
The right way to back down
I'm trying to come back down

Cause oh oh oh oh
I just wanna dream away
But need to get my feet on the ground
Oh oh-oh-oh
I just wanna dream away
But need to get my feet on the ground
Dream away but need to get my feet on the ground

Dream away, dream away, dream away
Dream away, dream away, dream away
Dream away, dream away, dream away
Dream away, dream away, dream away

Dream away
