Super TransAtlantic, I am sick and I am down
Stupefied and tragic, I'm a clown
Electric Omni-presence, I am forced beneath the
ground
Exotic, bleeding, toxic, while I drown

Some might say I'm beautiful
Some might say I'm not

Super Down
I'm feeling superdown

Shaking like a spastic and I can't control my sound
Feeling kinda weak, I'm spinning round
Drinking in the desert yet I cannot find my way
Unstable and neurotic, I'm insane

Some might say I'm beautiful
Some might say I'm not

Super Down
I'm feeling superdown

Super Down
I'm feeling superdown

Some times you lie
Some times your high

(solo)

Some might say I'm beautiful
Some might say I'm not

Feeling like a leper at the first day of new school
Having lost my balance I'm a fool
Laughing, teasing, taunting, 'cause they don't see
things my way
I'm really wishing this would go away

Some might say I'm beautiful
Some might say I'm not

Super Down
I'm feeling superdown

Super Down
I'm really feeling superdown
