You buy a new top, it shrinks in a day.
Straighten your hair, but it rains right away.
You go to bed, complexion like a peach.
Get up in the morning, there's a zit on your cheek.
Oh...

Being a girl (being a girl)
That's what it's like, yeah
Being a girl (being a girl)
That's what it's like, yeah
Being a girl (being a girl)
In this crazy world.

Gymkhana meeting and you can't be stopped.
The jumps are high, but you fly over the top.
The crowd applauds the team with hearts so pure.
Then your horse pulls up and throws you in a pile of manure.
Oh...

Being a girl (being a girl)
That's what it's like, yeah
Being a girl (being a girl)
That's what it's like, yeah
Being a girl (being a girl)
In this crazy world

Your dad keeps hassling you to study more
Your mums complaining you don't do your chores
There's always someone on your case it seems
How's a girl supposed to chase her dreams?

No one else can ever make up your mind
you've gotta stay sweet, and you're gotta be kind
But you gotta be strong in the modern world
Get out of the way 'cause here come the girls
Yeah

Being a girl (being a girl)
That's what it's like, yeah
Being a girl (being a girl)
That's what it's like, yeah

Being a girl (being a girl)
In this crazy world.
