Visit "[Jesus Is God](#)" on [MotoLyrics.com](https://www.motolyrics.com)

If I told you what to do  
The direction you must choose  
Would you think I was crazy

But if I told you that you might  
Find the answer to this life  
Would you think I was crazy

You ride the roller coaster  
You ride it all along the way

Chorus  
Jesus is God - so don't you take Him lightly, no  
Why don't you believe  
Jesus is God - we're saying that He is, no  
we never did say that He might be God  
Why don't you believe

All the answers in your head  
From the stories you've been fed  
You'd think you were crazy

Take the truth that you have known  
From the seed that has been sewn  
You'll know you're not crazy

You ride the roller coaster  
You ride it all along the way

Chorus (repeat out)
