They try to drown us in their flood  
In pools of blissful ignorance  
Poisoning our hearts

Lies are all you feed  
Practice what you preach  
We will not conform

Fools cant you see that their is nothing you can do  
that will change us

Or who we are...

And the roots of our souls, they run too deep  
Forever's dying, forever's scarred  
Although they claw out eyes we still tread our path  
Forever's dying, forever's scarred

They try to crush us with their schemes  
Their ignorant points of view.Their political strain  
Their sheer disdain

Lies are all you feed  
practice what you preach  
we will not conform

Fools cant you see that their is nothing you can do  
that will change us

or who we are...

And the roots of our souls, they run too deep  
Forever's dying, forever's scarred  
Although they claw out eyes we still tread our path  
Forever's dying, forever's scarred

MOTHERFUCKERS.....

And the roots of our souls, they run too deep  
Forever's dying, forever's scarred  
Although they claw out eyes we still tread our path  
Forever's dying, forever's scarred

Lies are all you feed

practice what you preach  
we will not conform  
fools cant you see that their is nothing you can  
do.....
