Colours on my face
mirror of what's inside
the white man comes with guns
and I won't sleep tonight

They wanna steal my air
they wanna steal my air my ground my world

Crazy Horse Crazy Horse Crazy Horse
LEAD US
Hoka Hey Hoka Hey
here they come
Crazy Horse Crazy Horse Crazy Horse
I will not have fear
to FACE the shots

My people's bleeding today
down the Little Big Horn
I'd die to break these chains
So that my heart will be free

The day after the war
nobody'll have won
the white man still will come
I'll already have gone

They wanna steal my air
they wanna steal my air my fire my soul

Crazy Horse Crazy Horse Crazy Horse
LEAD US
Hoka Hey Hoka Hey
here they come
Crazy Horse Crazy Horse Crazy Horse
I will not have fear
to FACE the shots

My people's bleeding today
down the Little Big Horn
I'd die to break these chains
So that my heart will be free

My people's bleeding today
down the Little Big Horn
I'd die to break these chains
So that my heart will be free

Crazy Horse Crazy Horse Crazy Horse
LEAD US
Hoka Hey Hoka Hey
here they come
Crazy Horse Crazy Horse Crazy Horse
I will not have fear
to FACE the shots

My people's bleeding today
down the Little Big Horn
I'd die to break these chains
So that my heart will be free

My people's bleeding today
down the Little Big Horn
I'd die to break these chains
So that my heart will be free
