Don't you know what I'm talkin' about?  
what a shame, you are so grey  
They decide what's better for us  
everyday we are paying

We are so sick  
we are so blind  
and you smile

Now I know why  
I'm burning inside  
they don't believe me

I can't stand anymore to hear you cryin'  
nothing venture, nothing have  
what's the meaning of living these days?  
we are your puppets  
we are your slaves  
We are so sick  
we are so blind  
and you smile

Now I know why  
I'm burning inside  
they don't believe  
don't believe me

Tell me why I'm burning inside  
Tell me why I'm burning inside  
Tell me why I'm burning inside  
Tell me why I'm burning inside
