Three, Two, One, LET'S GO!
Rock and roll, bless us all
They're trying to hide us
There's no chance
Rainbow is turning
from millions of colours to grey
MOON WAS
A white hole in a cold black sky
MOON IS
The horse we were trying to ride
NO ONE
Can keep this dream off
Here is my weapon
This is my law
This is the music WHO can change the world
Here is my weapon
This is my law
This is the music WHO can change the world
Beat in, bleed in, beat in, bleed in,
beat in, beat in,
STILL
"The world is mine, I thought
The world is crying, idiot
What the hell you think you deserve?
We are the power
You have the right to remain
Silent
MOON WAS
A white hole in a cold black sky
MOON IS
The horse we were trying to ride
NO ONE
Can keep this dream off
Here is my weapon
This is my law
This is the music WHO can change the world
Here is my weapon
This is my law
This is the music WHO can change the world
Beat in, bleed in, beat in, bleed in,
beat in, beat in,
STILL

Here is my weapon
This is my law
This is the music WHO can change the world
Here is my weapon
This is my law
This is the music WHO can change the world
Beatin' f'Äçâ, ¬ÄçÄ,,Äç, bleedin' f'Äçâ, ¬ÄçÄ,,Äç,
beatin' f'Äçâ, ¬ÄçÄ,,Äç
STILL
