[Verse 1:]

You can be the peanut butter to my jelly  
You can be the butterflies I feel in my belly  
You can be the captain and I can be your first mate  
You can be the chills that I feel on our first date

You can be the hero and I can be your side kick  
You can be the tear that I cry if we ever split  
You can be the rain from the cloud when it's stormin'  
Or you can be the sun when it shines in the mornin'

[B-Sec:]

Don't know if I could ever be  
Without you cause boy you complete me  
And in time I know that we'll both see  
That we're all we need

[Chorus]

Cause you're the apple to my pie  
You're the straw to my berry  
You're the smoke to my high  
And you're the one I wanna marry

[Hook:]

Cause your the one for me for me (for me)  
And I'm the one for you for you (for you)  
You take the both of us of us (of us)  
And we're the perfect two

We're the perfect two  
We're the perfect two  
Baby me and you  
We're the perfect two

[Legacy]

I can be the classmate and you can be my teacher  
I even be the guy to see if you're a cheerleader  
You're the mat when I write  
Camp when I hike  
Now my qualities better  
You my amp to my mic  
You can be like family and I can be your brodie

You can be my fourth ring and I can be your Kobe  
If you're feeling hungry I'll be your entree  
Our love is like an award show without Kanye

[Price Tag]

See baby we're the perfect two  
You couldn't say it better  
You the ink to my letter  
The wool to my sweater  
You're the hook to my song  
The last of my friends  
You close to me, basically the tats to my skin  
So don't leave cuz baby you the checks to my dunks  
The beat to my heart  
The air to my lungs  
I need you baby cuz you the actor in my scene  
You're the coach to my team  
The queen in my dreams,  
Baby sing

[B-Sec:]

Don't know if I could ever be  
Without you cause boy you complete me  
And in time I know that we'll both see  
That we're all we need

Cause you're the apple to my pie  
You're the straw to my berry  
You're the smoke to my high  
And you're the one I wanna marry

[Hook:]

Cause your the one for me for me (for me)  
And I'm the one for you for you (for you)  
You take the both of us of us (of us)  
And we're the perfect two

We're the perfect two  
We're the perfect two  
Baby me and you  
We're the perfect two

[Traphik]

See you my other half we can make a perfect circle  
You can be Laura Winslow and I can be your Urkel  
I thought I'd never settle down but you change my way  
of thinking  
So I can be the Freshest Prince and you can be my Jada  
Pinkett  
And now you got me hooked baby you my perfect catch  
You keep my fire burning baby you my perfect match

They say nobody's perfect but I say that saying's dumb  
Cause even with your imperfections you're as perfect  
as it comes

[Crishan]

You're the worst of my socks  
The only ones I've ever loved ever trust  
You're the light to my stars that shine above  
You're my one and my only true love  
You're my right when I'm wrong  
My favorite cologne feen for your love girl it's so strong  
You ain't never ever gotta worry baby  
Cause I be here for forever and a day babe

[Bridge:]

You know that I'll never doubt ya  
And you know that I think about ya  
And you know I can't live without ya

I love the way that you smile  
And maybe in just a while  
I can see me walk down the aisle

[B-Sec 1/2:]

Cause you're the apple to my pie  
You're the straw to my berry  
You're the smoke to my high  
And you're the one I wanna marry

[Hook:]

Cause your the one for me for me (for me)  
And I'm the one for you for you (for you)  
You take the both of us of us (of us)  
And we're the perfect two

We're the perfect two  
We're the perfect two  
Baby me and you
