### "After You"

After you  
Criminals are saints  
After you  
Whores are nurses  
After you  
I'm not scared at all  
After you  
Now that I've seen evil

Could it be a life?  
Never reminding  
Could it be my life?  
Erase erase  
Could it be a life?  
Never reminding  
Could it be?  
Burying my own corpse

After you  
Hangmen are friends  
After you  
Soldiers are tourists  
After you  
I'm not scared at all  
After you  
Dead and unbreakable

Let's bury it, you'll see your crime  
How can I be alive after you?  
So wash my memory
