Let's talk  
RIGHT  
From a long time you use  
Words you don't control  
I will teach you their meaning  
Let's RIGHT  
WALK  
From too long you talk  
About weapons you don't know  
I will learn you how to fight  
Name on you  
wipe your asshole  
With a page of a dictionary  
Let's fight  
AS FOLKS  
It's your last lines  
So what will you write ? what will you write  
When you'll be down on your knees  
Praying for something softer ?  
Cause you'll cry cause these words are bigger than you  
are  
So let's stop, let's stop this shit  
You're not the tough guy you think you are  
You're tiny, tiny boy  
So wipe your asshole  
With a page of a dictionary  
A-B-C-Dead  
E-F-G-Hate
