I'm on my way I'm making it, Huh!
I've got to make it show yeah, Hey!
So much larger than life
I'm gonna watch it growing
Hey hey hey heyyyyyyyy

The place where I come from is a small town
They think so small, they use small words
But not me, I'm smarter than that,
I worked it out
I'll be stretching my mouth to let those big words come
right out
I've had enough, I'm getting out
to the city, the big big city
I'll be a big noise with all the big boys, so much stuff I
will own
And I will pray to a big god, as I kneel in the big church

Big Time, I'm on my way I'm making it, big time, oh yes
Big time, I've got to make it show yeah, big time
Big time, so much larger than life
Big time, I'm gonna watch it growing, big time
Ho ohh ohh, oh oh, ho ohh ohh, oh ohhh
My parties have all the big names and I greet them with
the whitest smile
Tell them how my life is one big adventure and always
they're amazed When I show them 'round my house to
my bed
I had it made like a mountain range with a snow white
pillow for my big fat head
And my heaven will be a big heaven,
and I will walk through the front door

Big Time, I'm on my way i'm making it, big time, Huh!
Big time, I've got to make it show yeah, big time
Big time, so much larger than life
Big time, I'm gonna watch it growing, big time
Big time, my car is getting bigger Big time, my house
is getting bigger
Big time, my eyes are getting bigger
and my mouuuth
Big time, my dinner's getting bigger

Big time, and my bank account
Big time, look at my circumstance
Big time, and the bulge in my big big big big big big
big big big big big big big big big, hi there
