People go naked,
and follow these trails,
someone before me,
lay down these rails,
and it's loaded up too heavy,
this engine fails,
in Lovetown,

can't seem to settle down,
and do the teeth still match the wounds ?
take a good look around,
in Lovetown.

This is Lovetown.

Looking in Lovetown.

Sometimes you're troubled waters,
on which I pour my oil,
in each others shadow,
the roots reach into the soil,
pull these knots so tightly tied,
we cannot uncoil,
in Lovetown,

no place to settle down,
and do the teeth still match the wounds ?
take a good look around,
Lovetown.

This is Lovetown.

Looking in Lovetown.

Whose lonely lips,
will find these hidden scars ?
Who's seen the kisses,
left in dim lit bars ?
Who's out on the streets,
looking for love like ours ?
Whose looking in lovetown

Tonight ?

Have you got what you want ?
Did you get what you need ?
With what you did,
and what you saw,
Did you find,
you needed more ?

Have you got what you came for ?

Are you really sure ?
Are you really sure ?

Living in Lovetown,

Lovetown.
