We are shaking the tree
Waiting your time, dreaming of a better life
Waiting your time, you're more than just a wife
You don't want to do what your mother has done
(she has done)
This is your life, this new life has begun
It's your day -- a woman's day
It's your day -- a woman's day
Turning the tide, you are on the incoming wave
Turning the tide, you know you are nobody's slave
Find your sisters and brothers who can hear all the
truth
In what you say
They can support you when you're on your way
It's your day -- a woman's day
It's your day -- a woman's day
We are shaking the tree
Changing your ways, changing those surrounding you
Changing your ways, more than any man can do
Open your heart, show him the anger and pain
So you heal
Maybe he's looking for his womanly side
And you feel you had to be so strong
And you do nothing wrong, nothing wrong at all
We're gonna to break it down
We have to shake it down, shake it all around
We are shaking the trees
