(HEY) (HEY)  
(HEY) (HEY)

I peel your skin (HEY) outta my teeth as I complain  
about the words being spit back right into my face  
Double sided I will always win the fight, if I am what I  
eat I'll be you tonight.

The worms crawl in but they won't crawl out, I'm in  
three layers deep with my head in the clouds  
The worms crawl in but they don't crawl out, I've shed  
off all my skin just take a look at me now

Don't you forget that it takes more than one hit to make  
me quit (HEY) (HEY)  
I've tore down the ones that were in front of me so who  
do you think is next?(HEY) (HEY)

Call me a bastard, asshole, son of a bitch, the same  
motherfucker that makes you sick  
I've ripped apart more lives than yours is worth While  
parading in disgust on this waste called earth

The worms crawl in but they won't crawl out, I'm in  
three layers deep with my head in the clouds  
The worms crawl in but they don't crawl out, I've shed  
off all my skin just take a look at me now

Don't you forget that it takes more than one hit to make  
me quit (HEY) (HEY)  
I've tore down the ones that were in front of me so who  
do you think is next?(HEY) (HEY)

(HEY) (HEY)  
(HEY) (HEY)

I count em 1,2,3,4 begging for a big encore to shift my  
sin in sleep  
I cradle the worms in this snake woven basket for the  
shadows they will creep

The worms crawl in but they won't crawl out, I'm in

three layers deep with my head in the clouds  
The worms crawl in but they don't crawl out, I've shed  
off all my skin just take a look at me now

Don't you forget that it takes more than one hit to make  
me quit (HEY) (HEY)  
I've tore down the ones that were in front of me so who  
do you think is next?(HEY) (HEY)

Don't you forget that it takes more than one hit to make  
me quit (HEY) (HEY)  
I've tore down the ones that were in front of me so who  
do you think is next?(HEY) (HEY)
