I am the one who will set you free,  
I am the one who will not let you see,  
I am the one who will show you the dark,  
I am the one who will tear truth apart,

This is my plight I want to ignite,  
This whole fucking world and watch it burn bright,  
No more smiles, just screams of fear,  
Iâ€™m a real twisted freak, I am not what I appear,  
Iâ€™ll laugh like a psychopath drunk on power,  
As I sit right back and watch the worlds final hour,

Fire! Burn! Higher!  
Fire burn!  
Ashes to ashes, explosions and matches,  
Fire! Burn! Higher!  
Fire burn!  
Some men just want to watch the whole world burn...

I am the one who will set you free,  
I am the one who will not let you see,  
I am the one who will show you the dark,  
I am the one who will tear truth apart,

Look to the sky, see the flames tower high,  
Watch it all burn, watch the whole planet die,  
Welcome to the end, thereâ€™s no time to amend,  
The world spirals down and Iâ€™ll be itâ€™s final sound,  
Donâ€™t run, thereâ€™s nowhere to go,  
Except into my arms, until eternity ends,

Fire! Burn! Higher!  
Fire burn!  
Ashes to ashes, explosions and matches,  
Fire! Burn! Higher!  
Fire burn!  
Some men just want to watch the whole world burn...

Look at the sun,  
Donâ€™t run.  
Itâ€™s so bright,  
Blinding light,

Fire! Burn! Higher!  
Fire burn!  
Ashes to ashes, explosions and matches,  
Fire! Burn! Higher!  
Fire burn!  
Some men just want to watch the whole world burnÂ...
