Switch on, turn up, break down.

Got to be a part of this twisted game,  
So dreams and reality are one and the same,  
Integrity dies, replaced by fear,  
This isn't as fulfilling as it first appeared,

The sound comes on and it all fades,  
Somebody screams, but I'm too dazed,  
The pictures move in unison,  
Totally surrounding this black room.

No conversation,  
Why should I try,  
Everyone leaves,  
Why should I care,  
No conversation,  
Why should I try,  
Everyone leaves,  
Why should I care,

Switch on, turn up, break down,  
It's not feeling.

Back to the game and I try to be real,  
Everyone plays and it's all for fun,  
Frightening flashes that seem unreal,  
Blind us and scare everyone,

The sound comes on and it all fades,  
Somebody screams, but I'm too dazed,  
The pictures move in unison,  
Totally surrounding this black room.

No conversation,  
Why should I try,  
Everyone leaves,  
Why should I care,  
No conversation,  
Why should I try,  
Everyone leaves,  
Why should I care,

Got to be a part of it,  
Got to be a part of it,

The sound comes on and it all fades (X 4)

No conversation,  
Why should I try,  
Everyone leaves,  
Why should I care,  
No conversation,  
Why should I try,  
Everyone leaves,  
Why should I care,

Got to be a part of it,  
Got to be a part of it,

Switch on, turn up, break down,  
It's not feeling.  
Switch on, turn up, break down,  
It's not feeling.

Some day, some day,  
Some day, some day,  
It'll all work out.
