We are the creeps, the weirdos and freaks,
The one's who make the world complete,
You like to stop and stand and stare, point and laugh
and taunt us all,

But we are the one's who know who we are,
Unlike the people you think you are,
You try so hard to fit in, you're shit scared of looking
within,

Strangest of strangers,
Weirdest of weirdos,
Queerest of queers,
Your more than welcome here,
Crazy, we're crazy,
They hate us the way we're ment to be,
Crazy, we're crazy,
They hate us and our twisted family,
Rejected and mocked and beaten and kicked,
While everybody looks and laughs,
Hide inside and lock the door, swallow the key and
never come out,

Rejected by god, jesus and jah,
Just for being who we are,
Depression gives way to the purest of rage, I want to
scream 'Fuck
them all!'

Strangest of strangers,
Weirdest of weirdos,
Queerest of queers,
Your more than welcome here,
Crazy, we're crazy,
They hate us the way we're ment to be,
Crazy, we're crazy,
They hate us and our twisted family,
Keep on dancing, keep on grinning,
We're not alone, we're family,
Keep on dancing, keep on grinning,
We're not alone, we're family,
